#### Terms of License

Movie Licensing USA (a division of Swank Motion Pictures, Inc.) under the terms of its contract with the State of Vermont Department of Libraries will provide Vermont public libraries as defined in 22 VSA §101(B), with Public Performance Site Licenses to Exhibit Motion Pictures of the copyright owners listed below in full compliance with 1976 U.S. Copyright Act (Title 17, United States Code, Pub. Law 94-553, 90 Stat. 2541).

The Federal Copyright Act governs how copyrighted materials, such as movies, may be utilized publicly. Neither the rental nor the purchase or lending of a video cassette or DVD carries with it the right to exhibit the movie publicly outside the home, unless the site where the video/DVD is used is properly licensed for copyright compliant exhibition. Movie Licensing USA provides this *Public Performance Site License* to Vermont's public libraries so that these entertainment movies can be shown legally in their library buildings.

The Movie Licensing USA *Public Performance Site License* is a sole source product. Movie Licensing USA is the only company able to offer you public performance site licensing for these Hollywood Studios:

Walt Disney Pictures, Paramount Pictures, Warner Bros., Sony Pictures, NBC/Universal Pictures, New Line Cinema, Lionsgate Films, MGM, Touchstone Pictures, Hollywood Pictures, Columbia Pictures, TriStar Pictures, Summit Entertainment, Focus Features, Miramax, Warner Independent Pictures, Fine Line Features, United Artists, Warner Independent Films, Paramount Vantage, and Screen Gems.

For more information about specific film eligibility, see: <http://library.movlic.com>

- These motion pictures may be shown *only* inside a Vermont public library building.
- Read the guidance on Advertising the motion picture showing for your library:  
<http://library.movlic.com/guidelines>
- These licenses do not cover showings where admission is charged.
- These licenses cover motion pictures presently licensed "For Home Use Only."
- There may not be any duplication, editing, altering, or digital transmission of the video cassette and/or DVD's in any manner.
- The copyright of the motion picture remains the property of the copyright holder, who reserves all rights to protect its intellectual properties.
- All copyright notices must remain on the motion picture.

The undersigned library understands and agrees to the Terms of the Motion Picture Public Performance License.
