

Beanstack Staff Training Challenge

Background

We are excited to begin training staff to use the Beanstack reading registration and tracking platform. The Vermont Beanstack Summer Reading Challenge 2020 is set up and will go live to the public on July 20th!

Before the challenges are available to the public, we invite library staff to create reader accounts and complete all four challenges: Beginning Readers (0-5), Children (6-12), Teen (13-17) and Adult (18+)!

This will give you an opportunity to view the user (patron) registration, logging, and challenge experience before the site goes live to the public and will help you get a feel for the platform before diving into the admin side.

Plus, when you complete the challenges you will be entered into a drawing to win a CSLP Summer Reading 2020 banner! The following information and images will walk you through how to create an account and begin earning digital badges. This information and all training documents and materials can be found here:

<https://libraries.vermont.gov/BeanstackSRP2020> We will continue to add to this page during the training process and throughout the summer.

Staff Training Challenge Instructions

1. Go to <https://vermontsandbox.beanstack.org/>. Please do not share this URL with patrons. Once the site is live to the public on July 20th the website will be <https://vermont.beanstack.org/>
2. Register as an individual (see images below)

Vermont Summer Reading Challenge 2020 - Hosted by the Vermont Department of Libraries
July 20 - September 9, 2020

Let's get reading, Vermont!

You can sign up as an individual, or use the "family account" function to register a family or group.

[Register an Individual or Family](#)

Start Over

Who would you like to register?

I am registering myself.

I am an adult registering a child.
