

THE CENTER FOR CARTOON STUDIES presents  
*Create Comics Workshop Scholarship*  
for THE VERMONT DEPARTMENT OF LIBRARIES

Since 2009, The Center for Cartoon Studies has donated a full scholarship to the Vermont Department of Libraries so a Vermont teen may attend their one week “Create Comics” summer workshop.

Students interested in the scholarship should apply through their local school library or public library. The only entry requirements are: (1) that the student is a Vermonter and at least 16 years old, and (2) the applicant has the ability to attend the entire workshop in July. The contest is conducted through the library (school or public) and librarians are responsible for sending in the entry forms to the Department of Libraries. Submissions are due on May 4 and the Department will hold a drawing and let the winning student’s librarian know the results by May 15.
