

Green Mountain Book Award Master List 2015-2016

This is the eleventh year of the Green Mountain Book Award, a reader's choice award for students in grades 9-12. Co-sponsored by the Vermont Department of Libraries and the Vermont School Library Association, this program is designed to introduce to high school students some excellent books for their pleasure reading.

These books, to be read during the 2015-2016 school year, comprise the master list for the award to be made in 2016. Voting forms will be made available to all Vermont schools and public libraries in the spring so that young adults can vote for their favorite book. The master list titles have been selected to satisfy the reading interests of teens in grades 9-12, and include both adult and young adult books.
