

Become a Friend of the Dorothy Canfield Fisher Program

Since 1957 Vermont children in grades 4-8 have voted for their favorite book in a program designed to help them become enthusiastic readers and to honor Vermont author Dorothy Canfield Fisher. A non-profit Friends Group was started in the early 2000s to help with the creation of the annual conference.

The Friends financially support the Dorothy Canfield Fisher program throughout the year. In addition to the annual conference, the Friends cover the cost of book labels, posters and other support material needed to promote the award in all of Vermont schools and libraries. The Friends also help defray the cost of the awards ceremony which is attended by Vermont children.

By becoming a Friend, you will help to keep the Dorothy Canfield Fisher Award Program alive and well for future generations.

_____ Individual \$25.00 annual donation

_____ Institution (more than one individual) \$35.00 annual donation

Name _____

Institution _____

Address _____

Town _____ State _____
