Order Form for Additional Historic Sites Passes 2014

Division for Historic Preservation and the Department of Libraries have created a free day pass for every public library in Vermont, granting free admission to Vermont Historic sites. Each library will receive one pass; libraries may purchase **additional** passes for \$40.00 each. Passes will be mailed to public libraries (and participating college libraries) before opening day for the parks in May or within two weeks of the date ordered. Each library can set its own policies around circulation and use.

The pass admits one family or group up to eight people to a Vermont Historic Site for one day.
