

Green Mountain Book Award Master List 2009-2010

This is the fifth year of the Green Mountain Book Award, a reader's choice award for students in grades 9-12. Co-sponsored by the Vermont School Library Association, Vermont Library Association and the Vermont Department of Libraries, this program is designed to introduce to high school students some excellent books for their pleasure reading.

These books, to be read during the 2009-2010 school year, comprise the master list for the award to be made in 2010. Voting forms will be made available to all Vermont schools and public libraries in the spring so that young adults can vote for their favorite book. The master list titles have been selected to satisfy the reading interests of young adults in grades 9-12, and include both adult and young adult books. All books on the list were first published in 2004-2008 and are available in paperback.
