

Green Mountain Book Award Master List 2007-2008

This is the third year for the Green Mountain Book Award, a reader's choice award for students in grades 9-12. Co-sponsored by the Vermont Educational Media Association, Vermont Library Association and the Vermont Department of Libraries, this program is designed to introduce to high school students some excellent books for their pleasure reading.

These books, to be read during the 2007-2008 school year, comprise the master list for the award to be made in 2008. Voting forms will be made available to all Vermont schools and public libraries in the spring so that young adults can vote for their favorite book.
