

Green Mountain Book Award Master List 2005-2006

This is the *first* year for the Green Mountain Book Award; a reader's choice award for students in grades 9-12. Co-sponsored by the Vermont Educational Media Association, Vermont Library Association and the Vermont Department of Libraries, this program is designed to introduce to high school students some excellent books for their pleasure reading.

These books, to be read during the 2005-2006 school year, comprise the master list for the award to be made in 2006. Voting forms will be made available to all Vermont schools and public libraries in the spring, so that young adults can vote for their favorite book. The master list titles have been selected to satisfy the reading interests of young adults, grades 9-12, and include both adult and young adult books.
