

The **ABLE*** Library is here to help your public library in a variety of ways...

➤ Frameworks and approaches to reasonable accommodations in physical space, programming and collections
➤ Training library staff on ABLE (state), NLS Resources/BARD app (federal) and Nongovernment Partners (local)
➤ Budgetary support through supplementing your circulating collections with rotating deposit collections of large print and/or described film, allowing you to provide accessible formats while redirecting some your expenditures to other projects/initiatives
➤ Consultations and service referrals for assistive technology and assistive support
➤ ADA questions
