

Become a Friend of the Dorothy Canfield Fisher Award

The Friends of Dorothy Canfield Fisher support the second oldest children's choice award program in the country, a program that encourages reading among Vermont's 4th through 8th graders.

The Friends financially support the annual Dorothy Canfield Fisher Conference for librarians and teachers, help defray the cost of the annual Award Ceremony, cover the cost of book labels, bookmarks, posters and other supporting materials, and help with program publicity.

By becoming a Friend, you will help to keep the Dorothy Canfield Fisher Award alive and well for future generations.
