

Staffing and Salaries Survey

Preliminary draft to inform work of consultant as discussed by Working Group on the Status of Libraries in Vermont

12/16/2022

Section A: Public Library Overview

1. **Public Library Name** (information will not be shared) (drop-down menu)
2. **Name of library director completing the survey** (information will not be shared) (text box)
3. **Email address of library director the survey** (information will not be shared) (text box)
4. **County** (drop-down menu)

Notes for consultant:

The Department of Libraries will provide the survey consultant with the following information for all public libraries, which the consultant will match with survey data submitted by the director and with PLS data on file at the Department:

- **Rural/Urban setting** (urban being libraries located in a municipal center of greater than 25,000 people)
- **Size of population served**
- **Type of public library**
 - Municipal
 - Incorporated
 - Community (co-located with school library)

Access code to ensure only one survey is submitted for each public library

Section B: Staffing Levels and Compensation

Each staff member directly employed by the library should be listed within just one of the classification categories. Exact staff duties may not always fit exactly within the description provided and the notes field may be used to reflect any significant differences between the description and the duties assigned to the staff member(s) in the job description.

Directors should select the best category for each position based on the title of the position. Additional information about duties performed outside the scope of that position may be provided in the comments field.

For example: if the Assistant Director is also the Children's Librarian, they should be listed in the Assistant Director area but the additional comments should reflect their other duties.
