

SNOWSHOE AGREEMENT AND WAIVER

1. I understand snowshoes are checked out on a first come-first serve basis, and can be checked out for four days. Only patrons 15 & up can sign out snowshoes.

2. I understand Rutland Free Library staff members do not give out advice or suggestions on snowshoes; including sizing, weight limits, or proper snow conditions. Sizing according to Tubbs Snowshoes is as follows:
 1. Small 40-150lbs (Does not include poles)
 2. Medium 120-190lbs (Includes poles)
 3. Large 120-200lbs (Includes poles)

**The 200 lb weight limit is the max with all equipment and clothing included

Choice of snowshoe size is strictly the choice of the borrower.

If you need info on how to put on snowshoes a staff member can give you a Tubbs handout.

3. I understand I/we can not try on snowshoes at, or around, the front desk. This tends to create a "traffic jam" for other patrons.

4. I am responsible for the replacement cost of the snowshoes taken out on my account should gross negligence (not normal wear and tear) be determined. (\$150.00 per pair)

5. I will place snowshoes in the designated bin/cart when returning them; and will not place them on the counter. I will report any missing or broken parts should that be the case. **SNOWSHOES CAN NOT BE PLACED IN THE OUTSIDE BOOK-DROP.**

6. I am borrowing and using these snowshoes at my own risk. Rutland Free Library will not be held responsible for any injury or injuries while they are in use, or in my possession.

7. Rutland Free Library reserves the right to access a \$5.00 a day fine for snowshoes brought back late.

I agree to all of the above for myself and any of my children checking out snowshoes.
