

**Public Performance Site License for K12
 Schools
 to Exhibit Motion Pictures
 (October 1, 2019 – September 30, 2020)**

Deadline for Return of Signed Agreement Form (pages 3-4): October 31, 2019.

General Information

The Vermont Department of Libraries has agreed to manage the contract with Movie Licensing USA/Swank Motion Pictures for public performance motion picture licensing so that we can offer discounted prices to Vermont public and approved independent K-12 schools for the 2019-20 school year. The movie license offered allows Vermont schools to show films for non-educational purposes and still be in compliant with copyright law.

The 2019-2020 license will be valid from October 1, 2019-September 30, 2020. Licenses will be backdated so as soon as we receive your agreement, you will be covered.

“Community” libraries (combined school/public libraries located in a K12 school): Movie Licensing USA has informed us that “community” libraries whereby both school and public libraries are housed in the school building, require separate licenses: one for the public library and one for the school. Licensing for public libraries are handled in a separate contract and are not subject to this Agreement.
