

# Vermont Agency of Education is *providing safe, legal access* to movies for your school!

The Vermont Agency of Education recently purchased a site license and educational streaming for Vermont public schools through Swank K-12 Movies.

- This includes a streaming library of over 30,000 movies and documentaries for teachers to choose from.
- Teachers can incorporate movies into lessons during class or assign for homework.
- Site license provides legal ability to show movies at school even outside of instruction, such as: rewards, celebrations, fundraisers, and family movie nights.

Scan the QR code for more information, including: how to access the streaming platform, instructional videos, and how to maximize the use of these resources at your school.
