

VTLIB'S TUESDAY TALKS

Raising Spirits: Spooky Stories from Vermont Public Records

Tuesday, October 15, 2019

12:00-1:00 pm

Pavilion Building Auditorium
109 State Street, Montpelier

Public records hold clues to many tales, including those of grisly murders, the special powers of spirit mediums, tragic disasters, and mysterious disappearances. In the spirit of Archives Month – and Halloween – staff and friends of the Vermont State Archives and Records Administration will share what they discovered in the state archives that put some meat on the bare-boned facts.

The speakers will be: Sally Blanchard-O'Brien (Archivist), Mariessa Dobrick (Archivist), Brian Lindner (Historian), and Chris Winters (Deputy Secretary of State).
